October 29th (6:00-7:30)

Attendance: Aida, Spencer, Dean, Alyssa, Simms

Dean: We might have to change our time for next semester.

Alyssa: We need to record who has gone to what events and also set up tables to hand out promotional items.

Simms: We need to promote Competition for a Cause.

Aida: Have a flash mob.

COSGA and NCLC packets are completed and can be found in the SALD office. Packets should be returned by November 15th.

Email will be sent out to the student body on Monday and Dean will be making a poster.

The board downstairs will be finished on Friday. The committee decided to the downstairs board will be half events and the other half being superlatives.

Alyssa: The only available hockey home game this semester is November 16th so hopefully the promotional items come in before then.

Aida is making a general SGA poster that can be hung up around campus year round.

We want to make pamphlets with descriptions of the committees and who to contact.
