

MARKETING INTERNSHIP APPLICATION

- Registration for marketing internships takes place in the winter and summer sessions only. Activities related to an internship may take place in a regular semester.
- You must get permission to do an internship before you begin.
- You must find a faculty advisor to supervise your internship and work with your company supervisor.
- You must determine a program of activity (other than routine work) that is worthy of course credit.
- You must fill out an application using the independent study/internship form. <https://www.ccsu.edu/grad/Independent%20Study.pdf>
- You must get the approval of your faculty advisor
- You must get the approval of the chair. Take forms to Marketing Department secretary in RVAC 427. She will get my signature and forward the paperwork
