

Systems Programmer

Town of Manchester, CT

Job Information

Job Central ID #: 10030139
Minimum Education Level: Bachelor's Degree
Experience Required: 2 years
Salary: \$62,002.21 + yearly

Job Description

SUMMARY OF POSITION: Under general direction, performs programming and systems implementation tasks in the information systems architecture for Town Government and the Board of Education. The position requires contact with all other members of the Information Technology community involved with Manchester's systems and participates as technical consultant, systems interface expert and development partner on application and systems development projects.

KNOWLEDGE, SKILLS AND TRAINING: Knowledge of programming in languages such as C++ or Java, Scripting languages (Python, Perl, Tel) or the scripting facilities of various Operating Systems (Windows, Linux, FreeBSD) and DBMS language facilities such as mysql, MSSQL, Oracle, MSACCESS and RAD languages specific to a System Product (e.g. Macromedia's Cold Fusion Web development language and facilities). Knowledge of on-line payment systems, eBusiness and eGovernment. Knowledge in coding for hardware interfaces such as wired Ethernet. Knowledge of TCP/IP networking to be used in programming and interfacing to networked devices such as Blue Tooth and Wifi. Ability to develop skill in the deployment and use of technologies related to Manchester Information Systems projects through personal study and Town procured study in the programming technologies and techniques to be used in new projects requiring interfaces to existing application systems or Information Technology Architecture Elements (e.g.: I/O subsystems, DBMS, Network Application Level Interfaces, etc.).

REQUIREMENTS: Bachelor's Degree in Computer Science, Engineering or related field. Two years experience in operating systems generation and maintenance and related software support. Suitable experience may be substituted for educational attainment if deemed appropriate by the General Manager or his designee.
