- request a receipt or some type of proof that you have applied for your number. (This receipt is required by Business Services in Marcus White Annex, room 006 to begin your employment on campus. Your employment paperwork will not be processed and you cannot begin working until Business Services receives proof that you have applied for a Social Security number.)

The Social Security Administration is required to confirm the immigration status of non-immigrant applicants through the U.S. Citizenship and Immigration Services. Upon confirmation, an official Social Security Card with your individual Social Security Number will be mailed to the address listed on your application, usually within 2 weeks. Any inconsistency of information will delay the issuance of your Card by up to 12 weeks.
