Workforce Development
Through the CCSU MIS Department

The CCSU Management Information Systems (MIS) Department is offering a scholarship to MIS majors or minors who obtain an industry certification. A maximum of 10 scholarships is anticipated. Preference will be given to MIS students that have at least a 2.5 GPA who obtain an Amazon Web Services or Cisco certification. Other certifications will be considered on a case-by-case basis. Awards of up to $200 per student will be given to defray the cost of testing for a certification. Awards will be transferred into the student's financial aid account.

Process:

- Students interested in applying for this scholarship must submit this form no later than the last day of April.
- An official copy of the certification which you obtained must be attached.
- A copy of the receipt from certification testing must be attached.
- The student must complete the form below.
- Submit this form, and the attachments to gendronm@ccsu.edu before the last day in April.
- At the May MIS faculty meeting, recipients will be selected.
