Master of Science in Music Education

The Master of Science (M.S.) in Music Education degree program at CCSU is designed to provide the certified music teacher with professional training beyond the baccalaureate degree in music education. The five core courses are offered in a three-year rotation during each Summer Music Institute (SMI). The summer workshops can be applied toward the twelve credits of electives required in the program. Graduates are expected to meet the challenges presented by the philosophical, pedagogical, theoretical, and musical aspects of the field through the development of the analytic and critical skills required to solve contemporary problems in various aspects of music and music education.

CORE COURSES

MUS 509: COMPARATIVE MUSIC STUDIES
Prereq.: Admission to Master of Science (M.S.) in Music Education. Study of the world of music from many perspectives including universal themes, organology, acoustics, iconography, notation, uses and function of music, and social identity. Irregular.

50568 MUS 509, Sec 01
3 credits, In-state resident: $1,731
