CENTRAL CONNECTICUT STATE UNIVERSITY
Summer Music Institute

2018
This marks the 34th year of our Summer Music Institute (SMI)! This institute provides professional development for music educators and other musicians through a variety of graduate classes. Courses offer hands-on experiences, practical teaching techniques, and stimulating discussions among colleagues. There are several new courses and this summer that are balanced with tried and true courses and professors from recent years. You do not have to be in our Master’s program to enroll in our elective courses!

The Summer Music Institute is also the primary venue for our Master’s degree program that offers a unique blend of theory and practice, focus and versatility. Participants may apply to the Master of Science in Music Education program, and earn a degree in four summers.

Central Connecticut State University (CCSU) is located in the heart of Connecticut, affording participants from across the country numerous cultural and recreational opportunities while they are in the area. The capitol city of Hartford is nearby and offers many points of interest including the Wadsworth Atheneum and the Mark Twain House. Within easy driving distances are New York City, Boston, Cape Cod and other beaches, and the Norfolk and Tanglewood Music Festivals. We are confident that your summer experiences at CCSU will be rewarding. Please call or write for further information.
