

Central Connecticut State University President's Citation 2019 Award Nomination

We are now accepting nominations for the President's Citation which is presented annually to outstanding seniors selected by the President of the University. The award recognizes accomplishments and contributions that benefit the University. Particular consideration is given for leadership and service roles as volunteers. This special award recognizes achievement and contributions during the period while students were in attendance at Central Connecticut State University. In this context, the Screening Committee will review nominations and supporting materials using the following criteria.

1. Leadership as exemplified through successful fulfillment of leadership responsibilities in student organizations or other campus roles
 2. Significant volunteer contributions to other students and/or the larger University community
 3. Academic success
 4. Must be a graduate of the current academic year (December 2018 through August 2019)
- Nominations should include the ID number of the nominee and complete information regarding offices held, community service, and any special awards or recognition. This involvement may be on or off campus achievements but must have occurred while the nominee was a CCSU student. Please note your nominated student may complete the application form.

Nominating faculty, please send the award nomination with letter of reference to the President's Office by Monday, March 18, 2019. Any questions can be directed to Katherine Poirier, Chairperson, at (860) 832-1982 or email at Poirier@ccsu.edu.

Note: One letter of reference from an academic or administrative faculty member is required for nomination.

President's Citation recipients will be recognized at a special ceremony to be held on Monday, April 29th, 2019 at 4:00pm in Founders Hall. Individuals selected for this distinction will be contacted prior to the ceremony.
