GSC proposed to following revision of language in the Program description:

Program Rationale:
The Master of Science degree in Reading and Language Arts is designed to prepare literacy professionals who are knowledgeable and competent in providing quality support, to enhance students' literacy learning who can enhance students' literacy learning, and who meet the standards for reading professionals as defined by the International Reading Association and by state mandates. The master's program offers three strands. Strand I: Classroom Instruction in Reading and Language Arts (30 credits) is designed to prepare teachers for teaching reading and language arts to diverse groups of students in a classroom context. Strand II: Reading-Mathematics (30 credits) is designed to prepare teachers to teach both literacy and numeracy to diverse groups of students in a classroom context. Strand III: Corrective and Remedial Reading and Language Arts (30 credits) is designed to prepare teachers to become reading specialists in compliance with the state standards for advanced certification in remedial reading and remedial language arts.

The following changes (shown in red) were recommended for approval by SEPS and GSC. The changes are being made only to the Strand in corrective and remedial reading, and do not affect the other strands.

<th>Proposal to define procedures to approve TAP Pathways through faculty governance.</th>
</tr>
</thead>
<tbody>
<tr>
<td>In recognition that the TAP pathways, with their articulation of courses across entire degree programs that might involve multiple departments, and thus represent a more formal type of articulation agreement that the normal course by course articulations that are typically handled at the department level, the University Curriculum Committee has approved the following procedures to be used for approving CCSU TAP Pathways through faculty governance procedures.</td>
</tr>
<tr>
<td>1. The system-wide Pathway Committee, with representatives from all CSU system schools, meets and creates the pathway, using the TAP approved format.</td>
</tr>
<tr>
<td>2. The pathway will be approved by the CCSU department representing that pathway major.</td>
</tr>
<tr>
<td>3. The appropriate Deans will review the pathways.</td>
</tr>
<tr>
<td>4. The pathway will be submitted to the University Curriculum Committee</td>
</tr>
<tr>
<td>a. Pathway will be reviewed by appropriate school subcommittee.</td>
</tr>
<tr>
<td>b. All pathways will be reviewed by the General Education Subcommittee, specifically for review of Gen Ed Component</td>
</tr>
<tr>
<td>c. Recommendations of subcommittees and Gen ed would then go to the full committee for final curriculum approval.</td>
</tr>
<tr>
<td>5. Faculty Senate will review Curriculum recommendations and approve pathway.</td>
</tr>
<tr>
<td>6. Pathway will be approved by the CCSU President.</td>
</tr>
<tr>
<td>7. Pathway proposals that are not approved at any stage automatically revert to the Pathway Committee.</td>
