Revise program description to:

Change program title to: Counselor Education with Specialization in Clinical Professional Counseling M.S. [insert "Clinical"]

Change Program Rationale and Program Learning Outcomes to:

Program Rationale:

The Clinical Professional Counseling specialization prepares students to pursue employment in a variety of mental health and rehabilitation agencies. Students may choose a track in Clinical Mental Health Counseling, Clinical Rehabilitation Counseling, or Clinical Addictions Recovery Counseling. The Clinical Professional Counseling specialization provides the foundational coursework necessary for individuals interested in certification as Certified Rehabilitation Counselors (CRC) and/or meeting State of Connecticut Department of Public Health requirements for becoming a Licensed Professional Counselor (LPC) and Licensed Alcohol and Drug Counselors (LADC). There are additional post-master’s training requirements for both LPC and LADC candidates. The Clinical Professional Counseling specialization is accredited by the Commission of Rehabilitation Education (CORE).

Program Learning Outcomes:

Students in the program will be expected to:

- Exhibit behaviors and attitudes appropriate to the clinical professional counseling profession;
- Demonstrate pertinent and professionally relevant knowledge in the 10 CORE areas and 9 NBCC curriculum content areas;
- Demonstrate professional behaviors and practice in professional and rehabilitation counseling settings;
- Demonstrate knowledge of current ethical and legal guidelines that influence one’s behavior as a counselor; and
• Demonstrate core skills that provide the foundations to understand the professional and rehabilitation counseling process and become more aware of one's interpersonal interactions.

Add CNSL 594 Supervised Clinical Practice – Clinical Professional Counseling (6 credits) to core course requirements. Change total credit hours for core course requirements from 33 to 39.

In (Clinical) Mental Health Track, change statement on required number of credits to read: "Students in the Clinical Mental Health Track are required to take an additional 24 credits to equal 63 credits" [insert "Clinical"]. Delete option to take CNSL 564 Rehabilitation and Disability Case Management Practices in place of CNSL 573 Counseling Families. Add CNSL 572 Assessment, Treatment and Recovery in Counseling (3 credits). In place of "CNSL 580 Topics in Counseling (1 to 3 credits) or CNSL 599 Thesis (3 credits)," substitute "CNSL 599 Students take a Thesis (Plan A) 3 OR Capstone (Plan B) 0."

In (Clinical) Rehabilitation Counseling Track, change statement on required number of credits to read: "Students in the Clinical Rehabilitation Counseling Track are required to take an additional 21-24 credits to equal 60-63 credits" [insert "Clinical" and change 21 to 21-24]. Add option to take CNSL 572 Assessment, Treatment and Recovery in Counseling instead of CNSL 564 Rehabilitation and Disability Case Management Practices. In place of "CNSL 580 Topics in Counseling (1 to 3 credits) or CNSL 599 Thesis (3 credits)," substitute "CNSL 599 Students take a Thesis (Plan A) 3 OR Capstone (Plan B) 0."

Change statement on required number of credits in the Drug and Alcohol Recovery Counseling Track to read: "Students in the Clinical Addictions Recovery Counseling Track are required to take an additional 24 credits to equal 63 credits" [change name of track to Clinical Addictions Recovery Counseling Track and number of credits from 21 and 60-63 to 24 and 63 respectively]. Delete from required list of courses CNSL 564 Rehabilitation and Disability Case Management Practices, and add CNSL 572 Assessment, Treatment and Recovery in Counseling and CNSL 573 Counseling Families. In place of "CNSL 580 Topics in Counseling (1 to 3 credits) or CNSL 599 Thesis (3 credits)," substitute "CNSL 599 Students take a Thesis (Plan A) 3 OR Capstone (Plan B) 0."

In place of Internship and Capstone sections, substitute the following:

Plan A: Thesis
Students in the Clinical Mental Health track or Clinical Addictions Recovery Counseling electing to do a thesis (Plan A) will be exempt from one course as determined with the advisor.

Plan B: Comprehensive Examination (consists of a major case presentation done in conjunction with the student's internship experience).

Note: It is expected that prior to beginning the supervised counseling practicum (CNSL 503) all Clinical Professional Counseling students will complete a graduate level course in Life Span Development.

Note: Except for this change, the proposed program is nearly identical to that in current catalog. Under “Strands,” the proposed description lists as the second strand “Supply Chain and Logistics Management” instead of “Supply Chain and Logistics.” The second program learning outcome is listed as “Show knowledge of the management of operations, including facility, requirements, and resource planning,” rather than “Show knowledge of the management of operations, including facility requirements, and resource planning” [a comma has been inserted between “facility” and “requirements”].

**LATE ADDITION TO AGENDA:** Periodic review of the Objectives and Outcomes of General Education (postponed from Spring 2012) [GE] [Main]

Note: At its meeting of February 11, 2015, the Faculty Senate did not approve the proposal for the revision of General Education advanced by the General Education Implementation Committee. Instead, the Senate elected to send on the proposal as well as a competing proposal advanced by the Philosophy Department, as points of information only, to be taken into account by the General Education Subcommittee within the framework of its regularly scheduled review of the Objectives (and Outcomes) of General Education, which was postponed while the process begun by the Ad Hoc Committee on General Education and continued by the Implementation Committee played out. Subcommittee members are asked to consult the current list of objectives (and outcomes) in the 2014-15 catalog:

Please also consult the documents, links to which are provided in the Faculty Senate agenda for February 9, 2015:

http://web.ccsu.edu/facultysenate/1415feb9.asp

See 3. Committee Reports, c. General Education Implementation Committee: Proposal from the General Education Implementation Committee, Resolution from the Department of Philosophy, Response from the Department of History, Response from the Department of Mathematical Sciences, Response from the International Education Committee.

[GE] Two proposals were brought forth by Don Adams, for consideration during the next cycle of University Curriculum Committee meetings. One proposes a mission statement for the catalog which would align our objectives and outcomes with TAP and NEASC standards, and the other a proposal
for a (revised) faculty poll about General Education. Since the first proposal requires a substantive addendum to the description of our objectives and outcomes in the catalog, and might involve some slight shifting or redefinition of them, the question arises as to whether it mandates Dean signatures. (Since these two documents are in PDF format, and, properly speaking, belong to the next round of committee business, they will be sent as attachments to the e-mail by which this agenda will be distributed.)
