Who needs to be fingerprinted?

In accordance with current statute, any person who is employed by a local board of education (teachers, administrators, special service staff members, teachers aides, custodians, cafeteria employees, etc.) must submit to a state and national criminal history record check within the first 30 days of the date of employment. The only exception is that teachers of adult education, who are not required to hold certification for their positions (non-mandated, general interest programs only), are not required to submit to the criminal history record check unless directed by the employing district.

How do I request a criminal history record check?

Yes. Individuals fingerprinted at a RESC may have their fingerprint results shared with local or regional boards of education. The individual must provide a written request to the RESC indicating where the results should be sent.
