

CCSU Faculty Assessment Mentors

Faculty Assessment Mentors are available to assist departments with their assessment initiatives. Mentors are available, upon request, to:

- Review Departmental Learning Outcomes,
- Assist with questions related to Assessment Report formatting,
- Help faculty members align an existing assignment with one (or more) of the five GenEd Learning Objectives/Outcomes assessment rubrics,
- Review departmental Feedback letter comments related to departmental assessment and GenEd Learning Objectives/Outcomes assessment.

Faculty Assessment Mentors include nationally-trained AAC&U Multi-State Collaborative Scorers, CCSU Academic Assessment Committee (AAC) members, Deans' Representatives to the AAC, and CCSU Institution-Wide GenEd Learning Objectives/Outcomes Assessment Scorers.

CCSU General Education Objectives/Outcomes Faculty Assessment Mentors include:
