

GSA Meeting
March 15, 2011
Sprague Room, Student Center
7:30 pm

In Attendance: Chris DaCosta, Elizabeth Mongrello, Lauren Turenne, Justin Amenta, Laura Longo

I. Welcome

Welcome to another meeting of the GSA and thanks for being here. Daphney and Sean are currently at a professional conference, so Chris will lead in their absence.

II. President's Report

We had hoped to entertain nominations for the open positions of the GSA Executive Council, but because of small attendance, we will take nominations and elect the new Exec Council at our next meeting.

Please email us if you have any questions about the positions – all are open and we are excited to help transition new leaders into these roles.

III. VP of Programming

The etiquette dinner is tomorrow night! Please RSVP to Liz Mongrello (st_mongrelloe@ccsu.edu) if you would like to attend. We hope to have a good turnout to enjoy a great meal and learn about how to interview over a meal.

IV. Promotions and Marketing

Chapstick and pens are here! Please take some, share with friends. Help us get the word out about GSA. We are always hoping to have more students involved!

V. VP Finance

Our fiscal budget is officially depleted. We will not be able to award any more scholarships this year. For the following approvals, students who submitted complete and valid applications were awarded only their registration fees so that we could support more students.
