During the probationary semester, students are required to participate in an academic intervention designed to support their academic success. Students who fail to complete an intervention may not appeal a dismissal without extenuating circumstances.

How do I enroll in a required academic intervention?

1st: Choose an intervention; (CRN and Section numbers are on the next page.)
2nd: Register the same way you would for any course at CCSU, through Pipeline or the Registrar;
3rd: Check your CCSU email for follow-up details, which may include:

The following information is provided so that each student, in consultation with his/her Dean’s Office representative or CACE Advisor, is able to choose and enroll in the intervention that is the best fit. All interventions are Pass/Fail.

WHICH ACADEMIC INTERVENTION IS BEST FOR YOU?

TLC 001) I would really appreciate having my own Academic Coach who could help me make a plan for raising my grade point average. I work best when I have someone to check in with periodically to stay on track. I would like to explore all of my options and have a personalized approach to reaching my academic goals. I do well when I’m made aware of supports and services that will enhance my success. It would be nice to have someone who can teach me new strategies when I need extra help. I would prefer working one on one. Best choice: TLC 001

CRN: 12715 ACADEMIC COACHING (by appointment) EW 101
Complete at least 5 individual meetings with an academic coach to: Set academic goals, develop an academic success plan, and track academic progress. The first 3 appointments must be completed by October 17th! Appointments begin September 3rd.
*Note: BEFORE THE END OF THE FIRST WEEK OF CLASSES YOU SHOULD SCHEDULE A COACHING APPOINTMENT BY VISITING THE LEARNING CENTER IN 101 WILLARD HALL.

TLC 004) I really want to earn a high grade point average this semester! I am committed to trying new approaches to my courses. I would enjoy being on a team that has the goal of making the Dean’s List (3.5 for the semester). I would appreciate working in a small group with an academic coach every week to set realistic goals, learn new skills, and receive ongoing feedback on my progress toward my academic goals. I work best when I work in a structured and supportive environment. I am willing to participate in a group that meets every week for the entire semester. I can commit to perfect (or near perfect) attendance! Best choice:

TLC 004 Making the Dean's List EW 101
Receive weekly academic support, direction and feedback on academic progress in a small group led by an Academic Coach. Intended for any student whose goal is to achieve a 3.5 or better next semester. (8 students per section)

12716 01 M 9:25AM-10:25AM EW 101
12717 02 M 1:40PM -2:40PM EW 101
12718 03 M 3:05PM -4:05PM EW 101
12719 04 T 9:25AM-10:25AM EW 101
12720 05 R 9:25 AM-10:25AM EW 101
12721 06 F 10:50AM – 11:40AM EW 101

TLC 005) I don’t want to invest a lot of time in an academic intervention. I really don’t think I need much help to get better grades. I just didn’t put in the effort. All I need to do is get organized and work a little harder and I’ll get off probation. I do not want to lose my eligibility to appeal for another semester of probation, just in case something unexpected happens, but would prefer something really flexible that is not very time consuming. I enjoy quick, to the point, workshops that teach strategies I can use right away. Best choice:

TLC 005 Individual TLC Workshop EW 101 Prerequisite: EARNED 26 CREDITS AT CCSU
12722 01 Attend only ONE workshop on 9/19 OR 10/17 OR 11/21 F 1:40-3:40 EW 101
Attend one workshop to satisfy your academic intervention Topics include:

Academic Goals: Set academic goals and learn how your projected grades will change your cumulative GPA.
Time management: Apply proven time management principles to your personal schedule to reach your goals.
Study Smarter! Maximize learning with study skills that work: using class notes, reading strategies, and study tools. AND Ace the Exam! Learn great memory strategies, how to predict exam questions, and how to best prepare for exams!
