Graduate Housing
On-campus housing is not available for graduate students; however, there are off-campus housing options. If you are a graduate student looking for an off-campus room or apartment, need a roommate, or would like to be a roommate in an off-campus housing arrangement, you can visit the Residence Life Office or call (860) 832-1660. Their staff can offer a self-serve listing of apartments in the surrounding area, as well as ads for students who are seeking roommates. Also, bulletin boards are located around campus that have advertisements for rooms/apartment and roommates. Local newspapers such as The Hartford Courant also include apartment listings for the area.
