Alcohol Deaths Increase.

Boston, Dec. 30.—Deaths by alcoholism in Boston during 1922 totaled 107, the greatest number in any year since the enactment of prohibition, the city health department announced today. The deaths from this cause in 1921 were 70.

Deaths from all causes increased by more than 1,000 over the 1921 total of 10,320, the 1922 mortality reaching 11,321.
