Connecticut General Statute and CCSU requires the following information for all matriculated students (full and part time). Please submit this form to Student Wellness Services - University Health Services no later than July 15 for the Fall semester and December 15 for the Spring semester. Failure to submit the required form will result in a health hold on your student account.

Proof of immunity to **Measles (Rubeola):** you must provide proof of one of the following:
- Two measles or two MMR immunizations (1st dose on or after your 1st birthday; second dose at least 28 days later); OR
- Lab results showing a positive measles titer (blood test) Please submit a copy of the lab report results with health form.

Proof of immunity to **Rubella:** you must provide proof of one of the following:
- Two rubella or two MMR immunizations (1st dose on or after your 1st birthday; second dose at least 28 days later); OR
- Lab results showing a positive rubella titer (blood test) Please submit a copy of the lab report results with health form.

Proof of immunity to **Mumps:** you must provide proof of one of the following:
- Two mumps or two MMR immunizations (1st dose on or after your 1st birthday; second dose at least 28 days later); OR
- Lab results showing a positive mumps titer (blood work) Please submit copy of the lab report results with health form.

Proof of immunity to **Varicella** (chicken pox): you must provide proof of one of the following:
- Two varicella immunizations (second dose at least 28 days after the first dose); OR
- Lab results showing a positive varicella titer (blood test) Please submit copy of the lab report results with health form.

**Certification of confirmed cases of measles, mumps, rubella & varicella by a licensed health care provider may be submitted in lieu of the above.** (signed note from a medical provider).

Proof of Meningococcal A,C, W-135 or Y vaccination (is required for all residential students prior to room assignment. No student may move into campus housing without proof of this vaccine. The vaccine must have been administered within five years before enrollment.

**Hepatitis B:** The American College Health Association, the Connecticut Public Health Department, and the Centers for Disease Control recommend students be immunized against **Hepatitis B** (while not required it is strongly recommended).

**Tetanus:** A booster shot is recommended every ten years.

**IMMUNIZATION EXEMPTIONS**
- Students born prior to January 1, 1957 are exempt by age from the measles, mumps, and rubella requirement.
- Students born prior to January 1, 1980 are exempt by age from the varicella requirement.

Please check your Central Pipeline account no sooner than 5 business days after submitting the required information. Your Central Pipeline account will indicate the MISSING information under the “Registration Status” Section. If you have a health hold and nothing is indicated as to what is missing, we have not received ANY information for you.
