LET'S TALK TUESDAY - INSTAGRAM COMPETITION
HOSTED BY: STUDENT ACTIVITIES & LEADERSHIP DEVELOPMENT
10/20/2020 12:00 PM-11:00 PM
INSTAGRAM @CCSUSALD

Let's hear some Netflix suggestions! What shows or movies are you currently watching.

Like and comment on our Instagram page to be entered to win a "Tik Tok Made Me Buy It" gift basket full of unique finds made popular on Tik Tok.

Today's featured item is the mini karaoke microphone, which connects to your phone. It is great for interviewing your pets! The winner will be selected on the last Tuesday of the month. The more you participate, the more you have a chance to win!
Playing shimmering indie pop with an electronic edge, the Aces are an all-female quartet hailing from Provo, Utah. Mixing the clear pop vocal stylings of Cristal Ramirez with the harmonies of her bandmates, layers of atmospheric guitar jangle, and dance-friendly rhythms, the Aces demonstrated they could lend an accessible air to indie-oriented sounds on their first album, 2018’s When My Heart Felt Volcanic. 2020’s Under My Influence, beefed up the R&B influences and electronic accents that were in the background on their debut effort.

HOW TO ATTEND THE TOUR:

Go to LoopedLive.com.

Create an account using your school @my.ccsu.edu email address. Your email will be sent a code, which you then use to create a password. Once this is done your account is live. NOTE: you must register using your school .edu address, any other email account will not be valid.

Once you are registered, click this link!

If you log out, just click the link again or copy it into your browser. If you do so, you will need to enter your email and password again. This will take you directly to your events. You only have to register once: each time you log in the next event will be present. You're all set! You can watch each show on your desktop computer by logging into LoopedLive.com or download the Looped app to watch on your mobile device.

Join Psychology Club for a fun Halloween celebration with Spooky Psychology! During this meeting, there will be a fun PowerPoint and discussion regarding how Psychology applies to Halloween. Also, please feel free to join the E-Board with dressing up in a Halloween costume!
